Machine Lea  
Data Stru

## Education

**Babu Banarasi Das University (BBDU) Lucknow**

2019 - Present

B.Tech-Computer Science & Engineering

**Singhania Educational Institute**

2018 - 2019

Other Qualification- ClassXII

## Experience

**Aptron, Noida-Internship Trainee**

2022 - 2022

Machine Learning with Python

Learning about Basic Python and algorithms in Machine Learning.

Worked with libraries MATPLOTLIB PANDAS NUMPY SKLEARN.

Developed a project on Sonar Prediction.

## Project

**Portfolio Website**

An frontend portfolio website using HTML CSS JavaScript.

**Mine Detector**

Python Machine Learning [Scikitlearn Pandas Matplotlib]

Logistic Regression Algorithm

Model Training & Evaluation

Predicted ROCK/MINE with accuracy 87%

## Achievements

Worked as management team member of college.
